**Letter of Authority for performing commercial activity in the
territory of the Russian Federation for company
Electrosystems Technical Holding**

Dear Ladies and Gentlemen,

By means of this letter we would like to confirm that company "Electrosystems Technical Holding" has official dealer status in the territory of the Russian Federation and signed a sales dealer agreement with MWM GmbH.

"Electrosystems Technical Holding" is entitled to take part in project and contractual negotiations as well as to sell and supply equipment of the complete MWM GmbH product range within the Russian Federation.

In respect of the above mentioned we state that all equipment manufactured by MWM GmbH and supplied by "Electrosystems Technical Holding" falls under full MWM warranty. "Electrosystems Technical Holding" is experienced in design, installation and all after-sales processes such as servicing of power plants based on MWM equipment.

MWM Austria GmbH will ensure all its support required to "Electrosystems Technical Holding" like commercial offers, technical specifications, support and consultations, during and after the projects.

Best regards,
MWM Austria GmbH

Matthias Haaser
Area Sales Manager

Mario Kanzian
Senior Sales Manager
